

Mindy Woodhead

Dynamic. Powerful. Relevant.

Mindy changed the way I view my life and work as a creative professional.

~Timothy Cummings
Editor-in-Chief, *The Destiny Guide*

Having spent her twenties couchsurfing around sub-saharan Africa, hitchhiking around Moscow, volunteering in Morocco, and getting an Ivy League master's degree, Mindy brings passion, comedy, and vulnerability into every talk.

Speaking Topics

Productivity and the Inner Drive

Working with hospital presidents, CEO's, entrepreneurs, and nonprofits, Mindy identifies the motivational advantage of ownership, input, time management, and presence.

Consent Culture: Communication for Corporations and Campuses

As a communication coach for executives and students alike, Mindy has perfected the art of engaging audiences on the difficult topic of consent in a fun and powerful way. Trained in crisis counseling, suicide prevention, and development in "the third world," Mindy has a unique approach to empowering everyone.

The Science of Laughter and Story

Based on neuroscience, human behavior, ancient texts, and 25 years of storytelling experience, these talks will empower everyone to drive narratives for the listener's mind and anticipate the impact of their story.
